

Rinat Livne

Commercial Head, Biocon Biologics – APAC

Rinat Livne is the Commercial Head for the Asia-Pacific (APAC) region at Biocon Biologics. Rinat joined the company in January 2024, and has been spearheading strategic initiatives, driving market expansion, and fostering strong partnerships in the region.

A seasoned leader in the biopharmaceutical industry, Rinat has a proven track record of crafting hyper-growth strategies across diverse business models. She has consistently demonstrated her skills as a cross-functional leader, who promotes alignment, builds strategic partnerships, and guides teams in seizing opportunities to optimize revenue and drive growth.

Before joining Biocon Biologics, Rinat has worked in various pharma companies, including Teva Pharmaceuticals, Neopharm Israel, Aventis Pharma Limited and Glenmark Pharmaceuticals. She headed business operations for APAC at Glenmark Pharma and was CEO at Teva Pharmaceuticals in Thailand.

She also had an extensive stint in Neopharm Israel, where as VP, Marketing and Sales, she was instrumental in driving growth strategies and expanding the company's product offerings.

Rinat has a Directors Diploma from Tel Aviv University, a Master's Degree in Healthcare Administration and Management from Ben-Gurion University of the Negev and Bachelor of Science degree in Biochemistry and Nutrition from The Hebrew University of Jerusalem.
